

WHATCOM CENTER *for* PHILANTHROPY

COVID-19
UPDATES
Apr 23, 2020

BUILDING COMMUNITY. TOGETHER.

GIVING TOGETHER

The people of Whatcom County are giving from the heart, making meaningful contributions to assist in COVID-19 response and recovery. Small businesses, multinational corporations and private foundations are also making generous gifts. Collectively, the Whatcom Center for Philanthropy partners have so far raised \$1,000,000. We're inspired by this "first response", and know that continued giving is vital to tackling the range of issues that are still emerging in this unfolding crisis.

The chart below shows grants the Whatcom Center for Philanthropy has supported to date:
